**Whatever
style you
choose. . .**

- Traditional
- Old World Grandeur
- Contemporary
- Modern
- Eclectic

**Bay Area Stairs can
create whatever your
mind's eye can envision.**

Choose your desired rail system. . .

- Wood
- Iron
- Glass
- Cables
- Stainless Steel
- Tubing

If wood is desired for your treads and/or rail system, you can choose any variety you prefer including cherry, maple, oak, walnut or any exotic species.

We design a variety of stairs. . .

- Straight
- Curved
- Spiral
- Wishbone
- Flared
- Free Standing
- Double Helix

Bay Area Stairs can create custom fittings and volutes for any unique angle in your stair design.

We ensure quality craftsmanship in every stair we design and build. **Bay Area Stairs** can also create a dramatic effect around your stairs with custom raised or recessed paneling.
